To Whom This May Concern:

This serves as a recommendation for Mark Bassett's Pane-Less Window Cleaning. My first experience with Mark was through my mother, whose windows Mark took care of for several years before she passed away. I always knew when Mark had been at her home, but not just by looking at her beautifully cleaned windows. My mother always enjoyed Mark's visits and looked forward to them, and she always shared with me her having had the pleasure of his company.

Mark has also cleaned the windows in my home, and I understand why my mother enjoyed his excellent service as well as his presence in her home. Mark is a thoroughly decent, good guy, as you will discover by your first conversation with him.

Mark understands and respects the fact that letting anyone into your home is a sign of trust, and he will honor your trust while delivering excellent window-cleaning service.

You will be doing yourself a favor by calling Mark Bassett's Pane-Less Window Cleaning. Oh, and he guarantees your satisfaction with his work.

Feel free to call me if you have any questions or want to learn more. Thank you.

Sincerely,

Martin Hall
